And as in such a Case as this there must be a
concurrence of each Party, so y^e business of a
Council in general is

Beloved brethren, in yours decem
21 1750. you say, we should be
glad to be informed what council
you esteem to be regular. I will ma-
you glad. such a council is one
chosen, the one half by you, the
other by me according to ye Plat
form & ye word of God to judge
of ye christian conduct of ye mem
bers or officers of a church, to
recieve & forgive ye penitent,
to reject obstinate offenders &
or heretics after ye first, secon
admonition, to be esteemed as
heathens or publicans. Ecclesiast
cal council is not as civil
court, about secular but spiri
tuals of a Church, not coercive
by mulcts corporal or pecuniar
but suasory & directive, to the
unholy & prophane & see stim. 1
9 10 th. I desire you may hav
the preheminue to chuse first for

for ye are many. I will take
your leavings to fill up the —
council, to be held in Boxford
when & where you please; but
send me a letter to inform me
in the affairs what you shall ha[ve]
done. As to the charges, I don't
think it hard for you who are
rich to bear them, but it would not
be prudence for me, who have
but or
nothing, to promise to pay, till
you pay me &c. Nor do I see
any reason for y[e] poor accused
to oblige himself to help the po-
tent accusers to defray the
charges of their proofs against
him. Some, it may be, will
say, if you will not join with
us in bearing the charges as
well as the result of y[e] Coun-
cil, we will have none. But, I say,
where then is your zeal for

purging out y^e Old leaven,
for the reclaiming or punishing the
Scandalous brother. but, what,
if you had usd y^e provious
steps which our ^Supreem Lord
has proscribed, to gain a brother
you should have seen, upon due
Conviction, his confession free
& public enough. but seeing y^ou
love to skipp or stride over to
a Council I am willing they
should hear all those things my
visible accusers lay to my charge
and if the accusations ~~which they~~ provd by authentic
impartial unbyassed witnesses,
I will bear the reproff due to
me, for if the righteous smite me
it shall be a kindness &c. they may
show me my transgressions & y^e error
of my ways more clearly & fully
than I have yet known, to my further

humiliation & repentance. FOR
I believe ye future judgment
which I am more concerned to labor
than any humane. & know, I must
ere long, before a farr more
dreadful & strict tribunal to give
account of all ye thots words
& actions of my whole life, my
principles, motives, ends, manner
of my conduct in ye sight of
God & men. for God will bring
every work into judgment w. th
every secret thing whether good
or evil. The Lord inable us
to live in the exercise of repent-
ance toward God whom we have
sinned, Oh! how many ways how
grievously, & that we may
live in ye exercise of Faith
on our L. J. C. by whom we
receive ye attonement & convey
in love & new obedience & patience

that we may be follow'rs of those
who thro' faith & patience are now
inheriting y^e^ promises, always look-
ing to Jesus Christ y^e^ author & finisher
of faith &c. in a word, my constant
prayer is, y^t^ we may be found in
him not having our own righte-
ousness; but that which is thro' y^e^
faith of Christ the righteous-
ness which is of God by faith
amen & amen.

Jan. 8, 1750.

P.S. Tho' I would pay due deference to your
Letter of y^e^ 21 of Dec^r^ 1750, Yet I must be
excused if I say such is my Dulness ~~that~~
of Apprehension y^t^ I see not y^e^ least
shadow of Reason to alter my Opinion
expressed in my Letter to You of Dec^r^ 1750
concerning Yours of July 16 containing your
Articles of Charge.
